Depending on how good your dental health is, your dentist or hygienist will decide which plan is needed to maintain your dental health.

How do these appointments help you?

Dental health examinations provide:

- Clinical examination to catch developing problems early
- Checking for signs of oral cancer for early detection
- X-rays where clinically necessary for an in-depth examination of your oral health.

Hygiene appointments provide:

- Professional removal of harmful hard plaque
- Advice and techniques – we work with you to prevent tooth decay and gum disease
- Fresher breath and a brighter smile for improved self-esteem.

This results in the complete package to maintain your oral health. We strongly recommend joining to help reduce the risk of expensive restorative treatment in the future.

Please speak to any member of the team if you would like more information or for details on how to register.

* The Worldwide Dental Emergency Assistance Scheme is a scheme established to offer support and assistance to dental plan patients who request treatment following a dental trauma and/or dental emergency or oral cancer. The Scheme responds to requests for assistance on a wholly discretionary basis. This means that, whilst the Scheme aims to provide benefits in most cases, it has no obligation to provide any benefit unless it first decides (in its sole and absolute discretion) that it should provide a benefit. There are some circumstances in which the Scheme is not designed to help and these are explained in more detail in the Scheme Handbook. Each request will be looked at individually to assess the request for benefit. Certain restrictions and limitations may apply in the event that the request is accepted and it is possible that the Scheme will decide to provide no benefit.

** Excludes implants, facial aesthetics, whitening treatments, orthodontic and dental sundries.

*** The provision of routine examinations and hygiene visits is subject to receipt of the required consecutive monthly payments.

**** An initial administration fee of £9.50 will be collected with your first payment only.
